Solutions UK Customer Announcement.

Dear Valued Customer,

Solutions UK (IG) Ltd (SUK) are writing to inform you that our long-standing, synergistic, and mutually beneficial partnership with DGS will come to an end on **31 March 2026**.

Following the acquisition of **Solutions UK (IG) Ltd by the Thermoseal Group in September 2025**—part of the **Fenzi SpA Group of Companies**—all distribution and invoicing activities for SUK products will be undertaken by the **Thermoseal Group**, effective **31 March 2026**.

Solutions UK will continue to operate under its well-established name, supported by the same experienced team, with a continued commitment to quality, service, and customer focus. The transition of distribution from DGS to Thermoseal forms part of a broader strategic vision to build a robust, customer-focused sales, manufacturing, and distribution business within the UK.

Solutions UK would like to thank you sincerely for your continued support and trust. We remain committed to ensuring a smooth and well-managed transition and will provide further information as required over the coming months.

Should you have any questions, your usual contacts at Solutions UK and Thermoseal will be happy to assist.
